CAL FIRE / Placer County Fire Officials Schedule Training Burn

Firefighters plan to burn Lincoln area home on Saturday

Auburn – Local officials from the California Department of Forestry and Fire Protection (CAL FIRE) and Placer County Fire Department have scheduled a structure fire training exercise for this Saturday, January 29th. Firefighters will burn a vacant house at 1450 Virginiatown Road east of Lincoln. Smoke may be visible in the Lincoln basin throughout the day.

The house was donated by the property owners to be used for a live fire training exercise and has met all Air Pollution Control District guidelines.

This training will provide an opportunity for firefighters to experience structural firefighting tactics in a controlled environment.
